

Book Donations

WILL NOW BE ACCEPTED ONLY ON

TUESDAYS & THURSDAYS

BEGINNING JANUARY 29TH

Librarians will judge the condition and usefulness of donations before accepting them.

We do not accept textbooks, encyclopedias, or outdated books in bad condition, including those affected by smoke, pet, and water damage. Magazines are accepted intermittently at some Paulding locations.

Feel free to ask a librarian or call ahead to determine if your donations are acceptable.

Thank you!
