

New Author Information for Cataloging

This information is requested for the creation of the author's Name Authority Record (NAR), which is required for cataloging any book. Without this information, the time-frame for cataloging the author's book(s) may be delayed.*

DATE: _____

LIBRARY: _____

Thank you for the valuable donation you have made to your library. We look forward to adding your creation to our collection and offering it for circulation throughout the West Georgia Regional Library System and beyond.

In order to process your donation efficiently, it is requested that we provide the following information to the PINES Cataloging Specialist with Georgia Public Library Services -- the office responsible for creating your Name Authority Record (NAR). Your NAR will reside in the Library of Congress' database for authors' names and will link to your current work as well as your future publications in the cataloging system. Without this information, the cataloging process may be delayed.

Name: _____

Name(s) used in ANY previous publications (if different from above):

Date and Place of Birth: _____

Current residence: _____

Other notable residences and dates: _____

Occupation: _____

Other notable occupations and dates: _____

Thank you for providing us with this information. We look forward to adding your donation to the library's collection and offering it for circulation to the public.

* This information must accompany any donation by a new/local author submitted to WGRLS Materials Management for cataloging.
